

Dear Joanne - June 29/51
Gee!!!
Now I have something
to brag about and no
competition - I am a
Great Grandmother -
Barbara, Jerry & I arrived
at your Dad's office to
find things in a hub-
bub - They had just
received the telegram
and was Dad strutting
around telling everybody

He was a grandfather -
When I finally got
the reason for all
this excitement - I
stepped up in front
of this new grandfather
and told him I was
ahead in the game -
I was a Great Grand
mother - of course he
was very gallant and
said he would acknowledge
I had higher honors -
I'm sending a letter

to Nancy Elizabeth Hendrick.
I'm sending her a check
to be placed in her name
in the bank - and I hope
all cash gifts will be added
to it so as to make a neat
sum when she is of age -

I think Nancy Elizabeth
is a dear name - Much
love to you all -

Affectionately
Great Grandmother
