

June 29/51

Dear Nancy:— This is from
your 84 year old Great
Grandmother — The

telegram announcing
your arrival sure caused
plenty of excitement —
and there is nothing to
talk about except you.

I am enclosing a check
to be placed in your
name in the bank
until you are of age — (18)
I hope all cash gifts will

added to it from time
to time - and I also
hope your Grandmother
and I will get to see
you before 1951 is over -
With an affectionate kiss
on your cheek - I am
Sincerely
Your Great Grandmother
Alma Christina Olesen
